

Why Attend Our Summer Camps?

With nine camps, spanning several Spanish regions, our goal is to incorporate students 5-18 years of age, into a safe, nurturing environment. Sixty percent of our attendees are Spanish, which allows for a culturally diverse learning experience, as students will spend 24 hours a day together. Given the importance of the Spanish Language, with over four hundred million native speakers, we offer four morning language classes, followed by cultural workshops, where students can interact under 24 hour supervision (except Granada and Seville).
