

## Nails Come Alive with The Cats Eyes Collection

Fusing flawless application with the hottest trend in nails, the brand new Cats Eyes collection from Gelease will wow your clients.

### **Stunning colour**

The 12 eye-catching shades with reflective cat's eyes enhances dramatic definition to your finished colour. Choose from classic reds with Tabby Rouge, Ruby Roar and Crimson Cougar or offer your clients vivid bolds for spring and summer with Persian Pink, Tiger Orange and Jungle Jade. Seductive shades will impress your clients with Khaki Kitten, Russian Blue, Midnight Sphynx, Purple Paws, Black Panther and Bengal Bronze offering mystery and intrigue.

### **Immaculate application**

The Cat's Eyes collection boasts the high quality staying power and quick curing of the original Gelease formula. This incredible range of UV soak off gel polish has dazzled nail technicians, salon owners and customers alike since being introduced in 2016.

Using our impeccable Gelease formula and high powered lamp that cures in just 5 seconds, Gelease manicures last for more than two weeks, aiding optimal nail strength.

### **Contemporary style**

Stay ahead of the game and give your clients exactly what they wish for – perfect nails that take your breath away!
