WHITEFISH - THE NAKED NOODLE- WHITEFISH

Masterminding Your Own Noodle Delights in Whitefish, Montana

Savoring the flavors of the Tokyo Bowl—chile-ginger broth, bamboo shoot, fried egg, and baby bok choy scattered across a big bowl of soba noodles—is the perfect way to end a day at the mountain, glancing up at the snow-topped peaks of Whitefish Mountain Resort as you delight in the treat before you. Fresh food fanatics from vegans to carnivores can refuel eclectically at the [Naked Noodle](#) with an array of other bowls ranging from Asian-inspired treats to traditional spaghetti and meatballs—or design their own bowl according to their own culinary inclinations. Gluten-free options are well-marked on the menu.
