Exploring Microbrew Row in SODO

Tucked away among artist lofts and warehouses on 1st Avenue South in Seattle's SODO district, you'll discover some of the best brews you'll find anywhere. [Epic Ales](#) is one of the most micro of Seattle's microbreweries. Stop by the tiny tasting room any Friday from 3:30 to 8 to sample ales tinged with exotic flavors like caraway and shiitake, snack on truffled popcorn, and chat with master brewer Cody about his creations. Don't forget to bring Fido – Epic Ales is a dog-friendly establishment. Five blocks down the street, you'll discover the bigger, but still micro, [Schooner Exact](#). Stop by seven days a week to sample any of eight brews on tap. Definitely try the seasonals, and don't be shy, because everyone there seems to have an interesting story to tell.
