

Ed Lego 'ead sale

A LIFE-size Lego head of Ed Sheeran and 300 more of his personal belongings are up for auction.

All were cleared from the singer's childhood bedroom and donated by his family.

Items include a guitar, trainers and headphones all used by him. His Lego head could fetch £1,200.

The sale will be in Stowmarket, Suffolk, the county he was raised in.

Details, including how to bid online, will be on auction house Bishop & Miller's website from October 18. Ed said he was "pleased" all proceeds will go to a local hospice's care programme.
