

Dear _____,

For over 55 years, the auditorium at John Muir Middle School has played a pivotal role in the growth of thousands of gifted students, offering a spotlight for their many talents and an opportunity to further develop their skills and artistry.

Dedicated to Allan H. Burnside in 1986, the beloved principal who presided over Muir's hallowed halls for almost twenty years, this auditorium is a testament to his devotion to learning and community outreach. It is a classroom that helps train and showcase Muir's best and brightest in all areas of the performing arts. It is a gathering place for school assemblies and award ceremonies. It is a venue for local residents and groups to meet.

The time has come to shine the spotlight on Burnside Auditorium itself. Having undergone only minor renovations since opening its doors so many years ago, its ability to properly serve students and the community has become severely impacted. John Muir is on a mission to upgrade and modernize our cherished auditorium with much needed features such as new carpet, lighting systems, and a restructuring of the orchestra pit.

With your help, we can restore this treasured space to its former glory!

Why become a sponsor? You will be contributing to the continued development of future actors, singers, and dancers, as well as to students who work behind the scenes studying lighting, sound, and production. Your company will also become a permanent fixture of Burnside Auditorium; all donors will be immortalized on our Mustang wall. You will be recognized for your generous commitment to excellence in education, corporate responsibility, and community involvement.

Our Corporate Sponsorship program is available at four levels of giving:

- **Mustang - \$500 to \$999**
- **Colt - \$1,000 to \$4,999**
- **Bronco - \$5,000 to \$9,999**
- **Stallion - \$10,000 or more**

We invite you to join us in bringing the Allan H. Burnside Auditorium into the 21st century. With your assistance, it will once again shine as brightly as the talent that graces its stage!
