Date Night In

After a long work week, sometimes it's nice to stay put and take a break from all the chaos. Spend an

"unplugged" night at home: turn off

the TV, shut down the laptop, and

silence your smart phone. Turn the

lights down low, light some candles,

and set out a plate of [Intense Dark](#)

[Midnight Reverie Singles](#). Savor the

dark chocolate morsels with glasses

of your favorite Zinfandel or

Cabernet Sauvignon. Spend the night

indulging in chocolate and one

another's company.
