COLLISION REPAIR | MOTORCYCLE | MARINE | NASCAR | CNC | WELDING

AUTO | DIESEL

A career, like a car, is a representation of who you are. And just like a car, your career can be customized to reflect your passion, your style and your personality. We can help you learn how to express them.

In less than a year you could learn the skills to pursue the future you want,⁵ and with financial aid opportunities and student support from UTI, you'll have help doing it your way.

Visit **UTI.edu**

¹Some programs may require longer than one year to complete. ²Financial aid and scholarships are available to those who qualify. Awards vary due to specific conditions, criteria and state. ³Students who are near graduation, have no outstanding obligations to the school, and have not previously taken part in a tool voucher program on any UTI/MMI/NASCAR Tech affiliated campus may be eligible to participate in the UTI Tool Voucher Program. ⁴Based on data compiled from the U.S. Bureau of Labor Statistics, Employment Projections (2016-2026), www.bls.gov, viewed October 24, 2017. The projected number of annual job openings, by job classification is: Automotive Service Technicians and Mechanics, 75,900; Bus and Truck Mechanics and Diesel Engine Specialists, 28,300; and Automotive Body and Related Repairers, 17,200. Job openings include openings due to growth and net replacements. ⁵UTI cannot guarantee employment or salary. For important information about the educational debt, earnings and completion rates of students who attended this program, visit www.uti.edu/disclosures.
