Life as a Designer BINGO!

Color the squares with quotes you've heard in your career as a designer. (Haven't heard that one before? Ask a fellow designer.) BINGO when you get 5 in a row!
Bonus! Show an email or chat message that matches a quote below to one of our Abstract booth staff and get some free Abstract swag.

	Can we see a few more options?	Didn't our competitor just do this?	Not on brand. Don't know why.		
Is this our red? It looks too red.	I know you're on vacation but...	What will this look like on mobile?	Can we make this pop?		
I think we could elevate this design.	I just lost a week of work!	We did this 3 YEARS AGO.	We want people to see the button, right?		
I really don't like yellow.	I prefer it the old way.	The placeholder copy is missing a comma.	You're using the old new standard.		
Can we move this above the fold?	Why are we doing this?	Move the text to the right a bit? Ok, now left?	Which one's the final?	Can we make the logo bigger?	
		Not ready to share yet!	What is this...2005?		
		There's too much white space.	This looks one pixel off.
