

Infectious Latin rhythms fill the air on Saturday, July 26th as the Starlight Bowl welcomes conguero Poncho Sanchez and his Latin Jazz Band! For over 30 years, Grammy-winning Sanchez and his band have mixed jazz, soul, and a vast variety of South American influences to create a fiery blend of beats and rhythms that delight audiences worldwide. Fresh off a series of shows at the Blue Note in New York City, Sanchez and his congas, along with horns, piano and percussion, bring the spirit of Latin jazz, first created by Chano Pozo and Dizzy Gillespie in the 1940s, to Burbank for one very special evening. Opening the show are The B-Side Players delivering their own fusion of Latin funk, rock, jazz and hip-hop to the stage. Drawing on influences from Cuba, Jamaica and Brazil, their global sound and dynamic live shows have earned them 10 San Diego Music awards.

Tickets are \$15 for adults and \$8 for children and seniors while children 2 years of age and younger are free. Parking begins at 4:30 p.m. and is \$8 cash. Gates open at 5:30 and the show starts at 6:30 p.m. Bring your own picnic basket of goodies or take advantage of BJ's Restaurant and Brewhouse mouthwatering menu featuring salads, deep dish pizzas, burgers and, of course, their popular pizookies!
