Braun MultiMix 5 Hand Mixer The MultiMix 5 Hand mixer delivers 50% more power* than leading competitors. With its 350-watt motor, you can beat, whisk, and knead even the toughest ingredients for your favorite recipes with excellent results. Braun's SmartMix technology redistributes the weight of the mixer out of your hand and into the bowl, cutting your effort in half. Designed with a completely sealed system, it prevents anything from getting into the housing for quick and easy cleanup and long-lasting performance. The one-touch VarioControl speed dial lets you fine-tune your mixing with 9 speeds, plus Turbo for your toughest ingredients. The unique MultiWhisk attachment is both whisk and beater in one. Its dual-action design creates volume for light, airy mixtures. Homemade bread is no challenge for this mixer with its included sturdy dough hooks. With signature Braun design and engineering, you'll love the lightweight comfort and control of the soft-grip, slip-resistant handle. So let the baking begin! *Wattage and mixing effort (mixing cake batter, external tests) compared to leading competitors.

"The MultiMix has everything I want in a hand mixer: it's lightweight,

has so much power, and is small enough to store in a drawer. But it

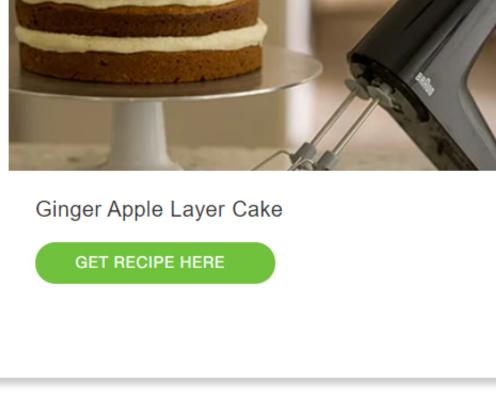

also has tons of features I didn't even know I wanted: dough hook and

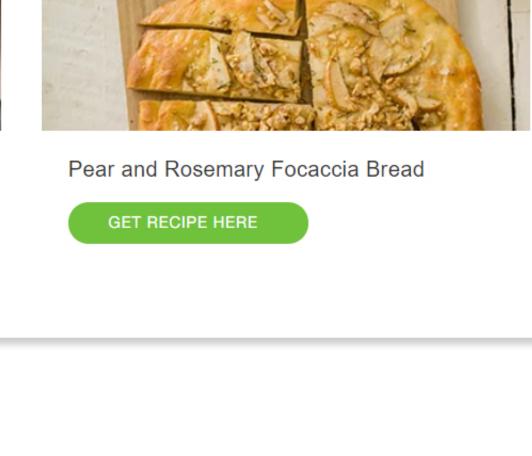

chopper attachments, the ability to operate with just one hand, and

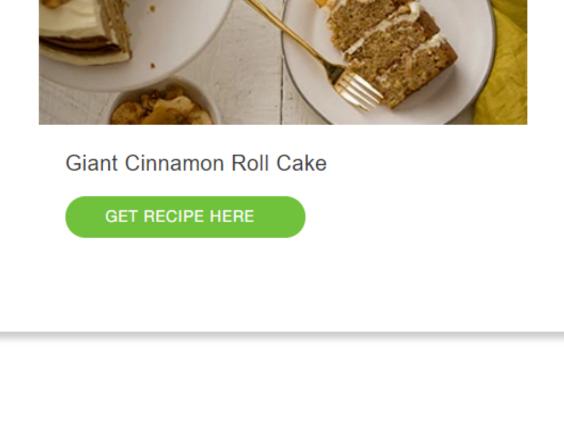

it's totally ventless, so it's easy to clean. It's become one of my
