

# AFK Arena Codes [2021] Get All Working Codes Free

---

We're taking a look at all of the working AFK Arena Codes that will get you a whole lot of free rewards! These codes will get you a boatload of diamonds, gold, scrolls, and a bunch of other things depending on how generous the developers are feeling.

You'll get quite a bit of currency from these codes. Use the gold to upgrade your heroes and enhance your gear. Diamonds can be used at the Tavern to buy new heroes, or take it to the Store to purchase new gear. Scrolls are also quite useful! You can use the Scrolls to draw out heroes, which will give you a bunch of new champions to choose from.

## How-to Enter Codes in AFK Arena

---

As of December 1st, 2020, AFK Arena has updated the process to redeem codes. This requires a brand new process and **the old way of redeeming codes will no longer work!** Find out the new way to redeem codes in AFK Arena below:

- Open this link.
  - Enter your in-game UID and then tap "Send Code."
  - For UID: Click on your Avatar in top left corner. Your ID will be a bunch of numbers at the top right corner.
  - A verification code will be sent to the AFK Arena app in-game mailbox.
- Open up the game.
- Tap on the Arrow Button which is located below Quests, at the top right of the screen.
- Look for Mail button and tap on it. Your verification code will be in here.
- Go back to the original link.
- Enter the verification code in the "Verification Code" box and tap log in.
- Copy one of the codes from our list and paste it into the "Enter Gift Code" box.
- Hit the redeem button and your reward will be sent to your in-game Mailbox!

## All AFK Arena Codes List

---

Here's where we'll be listing all of the available and expired codes from the game. Make sure when you're entering one from the list that you copy exactly as it is displayed. It is sometimes hard to distinguish numbers from letters, and it's easy to accidentally mess it up if you type it in yourself!
