

Collection Descriptions for the World Interiors Catalog (Home Trends & Design)

Accessories - Accents

Liven Up Your Living Space

A sunburst mirror here. An industrial wheel there. These small details don't simply evoke conversation, they transform a house into a home.

Bergman

Purposeful Patterns

A cool color palette and simple decor creates space for the chevron pattern to pop - without compromising the tranquility and romance of the room.

Modern Romance

Contemporary patterns gives this elegant sitting room a modern twist - creating a space that strikes just the right balance between traditional and trendy.

Cote d' Azur

Modern Art

When a collection demands this much attention, you'll do best to keep the other design elements to a minimum. Combined with a neutral palette, you'll give center stage to the real showstopper in the room. (Hint: it's not dinner)

Aspen

The Warmth of Walnut

The deep walnut finish gives off so much warmth it will fend off even the harshest Colorado winter. Who knew hibernation could look so good?

Colonial Plantation

Sweet Dreams

When you awaken to the colonial grandeur of this bedroom collection, you may wonder if you're still dreaming. With a clean, tranquil ambience, it's the perfect place to settle in for the night.

Grosvenor

Parisian Style

Grab a book (or a glass of bourbon) and feel your troubles melt into the luxurious leather upholstery. With its classic style and elegant details, this collection will be right at home in your library or living room.

Industrial Loft

Loft Life

Rich architectural elements such as iron, hand cranks and reclaimed wood combine seamlessly to create a loft style living space that is straight out of the big city.

London Loft

A splash of color, iron accents and live-edge wood combine to create a visually dynamic space that is both modern and charming.

Mid Century Luxe

What year is it again? With its clean lines, geometric shapes and vintage-inspired curves, this collection will transport you back to the days of sock hops and drive ins.

Organic Forge

Eco-Luxury

The natural elements in the wood, combined with a touch of greenery, give your farm-to-table meal even greater significance.

Austin Loft

Texas Pride

Let the spirit of Texas surround you as you create cherished memories with loved ones and friends. The casual atmosphere and comfortable fabrics will invite guests to stay long after the last course is served.

Painted Collection

Island Hopping

With blues reminiscent of a tropical sea, these rustic painted collections feature the bright colors and weathered look of an island hideaway. The only thing missing is the sand.

Rustic Luxe

Pure Luxury

The steel accents in the bookshelves and lighting bring this elegant sitting room to the 21st century – without compromising its old-world charm.

Tuscany

The neutral walls contrast beautifully against the floors and rich wood finish to create a space so soft, it will lull you to sleep.

Vail

Warm walls and natural fibers bring this retro-inspired collection to the modern era. The design may be simplistic, but with a live edge and dynamic wood grain, it's anything but boring.
