

# Opportunity to Thrive

## B.C.O.M. Sponsorship Levels

### **\$25K** Title Sponsor

Provide five students the opportunity to play golf, grow and learn all year long. The Title Sponsor will have prominent logos on all printed materials, social mentions, press outreach and an opportunity to mentor the program participants.

### **\$10K** Gold Sponsor

Provide two students the opportunity to play golf, grow and learn all year long. Gold Sponsors will receive social mentions and have an opportunity to mentor the program participants.

### **\$5K** Silver Sponsor

Provide one student the opportunity to play golf, grow, and learn all year long. Silver Sponsors will receive social mentions and have an opportunity to mentor the program participants.

### **\$2K** Bronze Sponsor

Offset the cost of equipment for two students in the program. Bronze Sponsors will receive social mentions and have an opportunity to mentor the program participants.

### **\$1K** Student Sponsor

Offset the cost of equipment for one student in the B.C.O.M. program. Student Sponsors will receive social mentions and have an opportunity to mentor the program participants.

## Developing Skills, Hope and Trust

The **B.C.O.M. Program** is a collaboration between The Be Counted On Foundation, Green Opportunities, Millennium Community School, City of Refuge GoodLife Foundation, First Church of God.

It is our goal to help students from all backgrounds prepare for college and careers from young ages, leading to successful, fulfilling futures. Green Opportunities' curriculum is designed to align with the Be Counted On Foundation **Top 20 Life and Mental Health skills** component as well as the **PGA Nine Core Values** that youth learn playing golf.

The Be Counted On Foundation is a social impact organization that works with influence-makers to positively inspire our world through platforms for change. By creating unified change agents, we will create a more compassionate world free of judgment and full of opportunity.

## B.C.O.M. Your Best Self

### Youth Golf & Enrichment Program

- ➔ **LEARN** basic skills to play the game of golf
- ➔ **ENGAGE** in rewarding academic and enrichment activities

# Driving Success

The B.C.O.M. (Be Counted On Foundation Millennium Community School) Program is designed to help students become the best version of themselves through golf instruction and academic enrichment.

Throughout the spring, summer, fall, and winter, PGA Professional Coach Gerry Hammond will introduce participating students to the structured game of golf, accompanied by academic-based enrichment supported by Millennium Community School.

As an added growth-related component, a dedicated developmental skills program is provided during the winter months by *Green Opportunities* Youth Development Program.

*The program will be free for all participants.*

*Transportation will be provided by the Green Opportunities Youth Development Program and First Church of God.*

## Fall Season

**October — December**

Eight-week introduction to the game of golf (one day per week) with PGA Professional Coach Gerry Hammond accompanied by academic enrichment by Millennium Community School.

## Winter Season

**January — March**

Indoor golf skill development and academic/skill-based mentorship provided by Green Opportunities. This personal growth curriculum is based on holistic developmental theory and practice and “grows” with the developmental capacity of youth involved at each grade level, preparing youth as leaders in golf, business, and life.

# Ace Your Future

## Summer Camp

**July — August**

Spend the summer playing golf with peers and participating in challenging and engaging enrichment activities supported by PGA Professional Coach Gerry Hammond and Millennium Community School.

## Spring Season

**April — June**

Eight-weeks continued golf development (one day per week) with PGA Professional Coach Gerry Hammond accompanied by academic enrichment by Millennium Community School.
