Krampus Tree Topper

Not into Santa and all the jolly ho-ho-ho-ness? Then maybe a child-torturing creature from German folklore is more your thing. If so, top your tree with this glass Krampus Tree Topper. Krampus is looking his evil self with his long pointy tongue and bag of naughty children strapped to his back. He manages to get a bit of a festive glow thanks to some well-placed glitter. This anti-Santa tree topper measures 8.75 inches tall and can also be displayed on a flat surface if you're also not into Christmas trees.
