

The epitome of genteel style

This sharp looking, gentle tempered topper, with a stunning three-pleats blue headband, can be used in any number of guises: urban hipster, preppy, country cool, southern gentleman, suave secret agent, extraordinary businessman or hombre de libre. The sloping brim is a stunner while you sit campo raso sipping café con leche and smoking a Cubano at your favorite café.

Certainly you must agree that the Bosa Blue is the epitome of genteel style, a strategic decision taken to its conclusion: it goes without saying, or making a fuss, that this genuine panama hat is a unique style for the man on the go. A crown for daily wear, the Bosa Blue is a trusty friend, a hat that is a handy, hardy head covering.
