INTRODUCING

FOSTER GRANT.

RECIRCUL8™

We are proud to launch the Foster Grant RECIRCUL8 program, a journey toward using more recycled materials in our eyewear and packaging. Learn more about RECIRCUL8 and other steps we're taking at www.fostergrant.com/sustainability.

It's an ongoing process, so be sure to check back often for updates on our progress!

And you can shop Foster Grant RECIRCUL8 products now!

The new SUN LUV A4114A® collection has multiple styles with frames made out of 50% recycled plastic.*

SHOP NOW

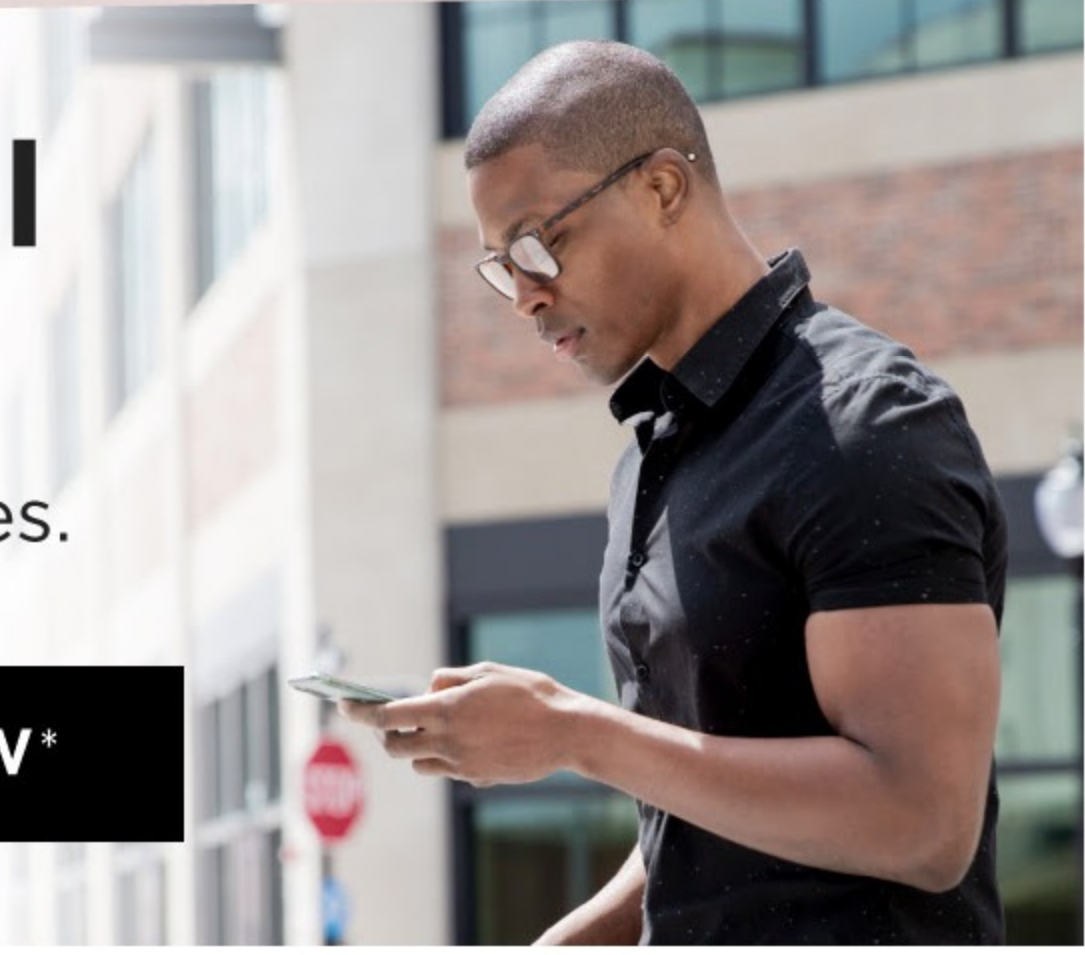

*The percentage of recycled content is calculated at mass balance.
