

Meet Our Members

Name: Anne and Jerry Y.

Location: Mesa, AZ

Member for: 36 years (each!)

How I'm making the world greener: We created a green committee in our church to make activities and policies greener

Special interests: labor justice, recycling, composting

Why I love Green America: We love to see the corporate campaigns especially, pushing big companies to be better.

Name: Marcus G. (with Nathan and Sam)

Location: Athens, GA

Member for: 10 years:

How I'm making the world greener: I switched from a major bank to a local credit union. It feels good to support my community.

Special interests: local food, mutual aid

Why I love Green America: I appreciate that environmental and social justice concerns go hand-in-hand in your work.

Name: Abby M.

Location: Rochester, NY

Member for: 2 years

How I'm making the world greener: I make small batch green cosmetics and lotions to use and share with friends

Special interests: clean personal care

Why I love Green America: I feel so inspired by green living and feel like I have so much to share with my friends thanks to your resources

Name: Linda W.

Location: Kansas City, MO

Member for: 7 years

How I'm making the world greener: I started a climate victory garden and love growing vegetables

Special interests: gardening, supporting local business

Why I love Green America: The breadth of your work is so exciting-- there's always something new to learn.
