**FC Hub**
by Fleet Complete

All-in-One Platform Empowering Connected Fleet Operations

Unlock the full potential of your fleet with FC Hub. Capture and transform real-time vehicle data into actionable insights and make faster and better-informed decisions that impact your bottom line by optimizing driver and fleet safety, efficiency, compliance and sustainability.

Reliable, Actionable Data Insights
Gain visibility across your entire fleet with dashboards, reports, and best-in-class location data.

Tailored for Scalability
Rely on a flexible platform that adapts to your evolving fleet needs.

Configure Custom Rules
Gain visibility across your entire fleet with dashboards, reports, and best-in-class location data.

Many Connected Devices – One Platform
Maximize your visibility to data gathered from connected vehicles, asset trackers, smart cameras and IoT sensors.

Increase Efficiency with Maps and Geofences
Empower fleet managers to optimize maintenance and dispatch vehicles with real-time location insights.

Real-Time Driver Mentoring
Audibly alert drivers to dangerous behaviors like speeding, harsh braking and rapid acceleration.
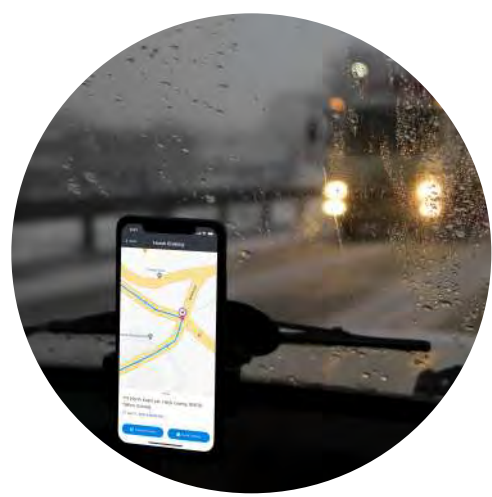

What Customers are Saying:

Being able to see and manage all of my vehicles with FC Hub has given our business the top insights and flexibility we need to better manage our fleet.

by Fleet Complete

— Revolutionize your fleet operations with a secure and flexible platform

Stay informed with smart event alerts

Proactively prevent accidents and penalties with instant alerts for unsafe driving.

Utilize advanced GPS mapping tools

Find the location of your assets at any time and use the map feature to see which vehicles were recently in a defined area.

Receive Collision detection and alerts

Get timely notifications in the event of a collision or if your driver requires assistance.

Monitor fuel usage and environmental impact

Enhance fuel efficiency and meet your sustainability goals faster than ever before.

Protect assets and cargo with IoT sensor data

Monitor vehicles, equipment, and job site trailers for unauthorized use or after-hours movement to mitigate theft.
