At **TC Communications**, you receive a complimentary 6-month standard support contract with every equipment purchase. If you require additional support, you can extend or upgrade your plan at any time.

Here are some upgraded support features that you don't want to miss:

**24/7 Phone
Support**

**Advance
Replacement on
Spares**

**Detailed System
Dossier**

**Annual System
Review**

**On-Site/Remote
Training TC-Based
Learning**

**10 Year Extended
Warranty Available**

**Software Updates
& Features**

**Additional
Services**

TC Communications Support Contracts are 100% customizable, so you receive the precise level of support you need for your system.

Receive an additional 6 months of support free when you upgrade to a Level 1, 2, or 3 Support Contract for at least 3 years before the end of your first 6 months of included support.

To learn more about what's included in each level of support, watch the video below.
