

Located in the impressive Solterra Resort is Paradise Away from the Parks, a 6-bedroom vacation home with private pool, amazing artwork, themed rooms, and a games room that will have you competing for house for the title of Table Tennis and Foosball Champion!

The exterior of the property has a tropical Florida feeling with its tall palm trees. And as soon as you enter the property through the front door, you'll quickly realize that this place is something special. The large, spacious kitchen is one that any chef would be thrilled to cook in. It has beautiful dark wood cabinets, granite countertops, and stainless-steel appliances. It also comes fully equipped with all the pots, pans, utensils, and small kitchen appliances that you would need during your stay here. Directly opposite the kitchen is a built-in desk area where you can set up your laptop so you can respond to any emails that need answering (although we hope you get to spend your time relaxing rather than working). When it's time to eat, you can do so in one of three areas. Firstly, there is the breakfast bar/kitchen island, which will seat up to three people. Secondly, there is a dining table just off the kitchen, which will seat up to five people. And lastly, if you fancy some alfresco dining by the pool, there is an outdoor dining area, where up to six people can drink and dine the night away. When it's time to sit back, relax, and watch a Disney movie, there are two living room areas that you can choose from. The main living room is just off the kitchen and dining areas. Here, you'll find theater seating and a large flat screen TV. Head upstairs and you'll find the other living room area, which is themed to Disney! Here, you'll find a comfortable U-shaped sofa, large flat screen TV, and a Wii U videogame console. When you're not out at the amazing Florida theme parks, why not head to the Star Wars-themed games room, complete with foosball table, table tennis table, and TV? Alternatively, if you prefer some outdoor entertainment, why not take a dip in the refreshing private pool? Why not try out the spa, which can be heated to 104°F (just the spa, not the pool. Requires optional pool heat). The pool area itself is screened in to keep those pesky Florida bugs out, and there is a large lanai with an outdoor dining area and separate seating area for those who want to enjoy the Florida weather in the shade. For those who want to work on their tan, there are sunbeds dotted around the pool area.

There are six bedrooms. The master bedroom is large, spacious, and quite stylish! It has a king-sized bed and a cushy armchair with an ottoman to enjoy a good book before heading off to sleep. The master bathroom has his and hers sinks, a garden tub, and a walk-in shower. The second bedroom has a queen-sized bed. The third bedroom has a queen-sized bed. The fourth bedroom also has a queen-sized bed. The fifth bedroom is princess themed and has a single-over-double bunk bed, which also contains a single-sized trundle bed. What's more, head to the closet, and you'll find a makeup vanity desk. The sixth bedroom is superhero themed and has a single-over-single bunk bed. The best part about this bunk bed? The top bunk can also become a tent/fort! All bedrooms have their own TV, so there shouldn't be any fighting over the remote control.

This property also comes with free Wi-Fi Internet for all your Internet surfing needs, and in-unit laundry facilities (washer and dryer).

**PLEASE NOTE:** There is a separate 1-time Amenity Access Fee that you have to pay at the clubhouse in order to gain access to all the resort amenities. The fee costs \$35 per reservation if there are 1-12 guests in your party or \$45 per reservation if there 13 or more guests in your party.
