Location, location, location. To this couple, it meant everything. "We wanted an intimate, romantic wedding that showcased the beauty of Lake Tahoe, where we spent our first weekend away together," explains Elizabeth Ann. Their California-proud celebration unfolded lakefront at historic Chamber's Landing, the alpine landscape softened by blushing peonies and sheer lanterns. Classic Tahoe cocktails flowed as the sky dipped, luminaries keeping the dock aglow. "We were both so happy, surrounded by our closest family and friends in a truly special place."
