

Our Events

The public is welcome to stroll through the Rose Haven Heritage Garden for our **First Bloom Celebration** on a Saturday in May. Consulting rosarians will answer questions about rose care and cultivation, and artists are encouraged to share plein-air painting and photography. Shop at the plant sale and enjoy fun outdoor activities.

Member meetings are held at 10:30 a.m. on the third Thursday of every month (except July) at the Temecula Public Library on Pauba Road. Meetings feature a garden-related presentation and include a light buffet lunch. Guests are welcome and there is no charge.

Rose Society volunteers bring the garden to life for families with children 12 and under. Children enjoy a discovery hike, garden crafts and a snack, and learn about garden life in a Certified Backyard Wildlife Habitat. Youth programs are held at 9:30 a.m. at Rose Haven every third Saturday of the month, weather permitting. Clubs, Scout groups and others are also welcome. Community service hours available. For information, please call 951-693-2814.

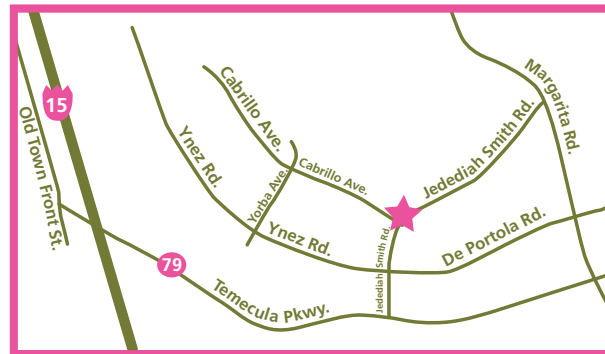

Rose Haven Heritage Garden

The Temecula Valley Rose Society owns and maintains the Rose Haven Heritage Garden in Temecula. This beautiful garden is open daily from dawn to dusk year-round for the public to enjoy.

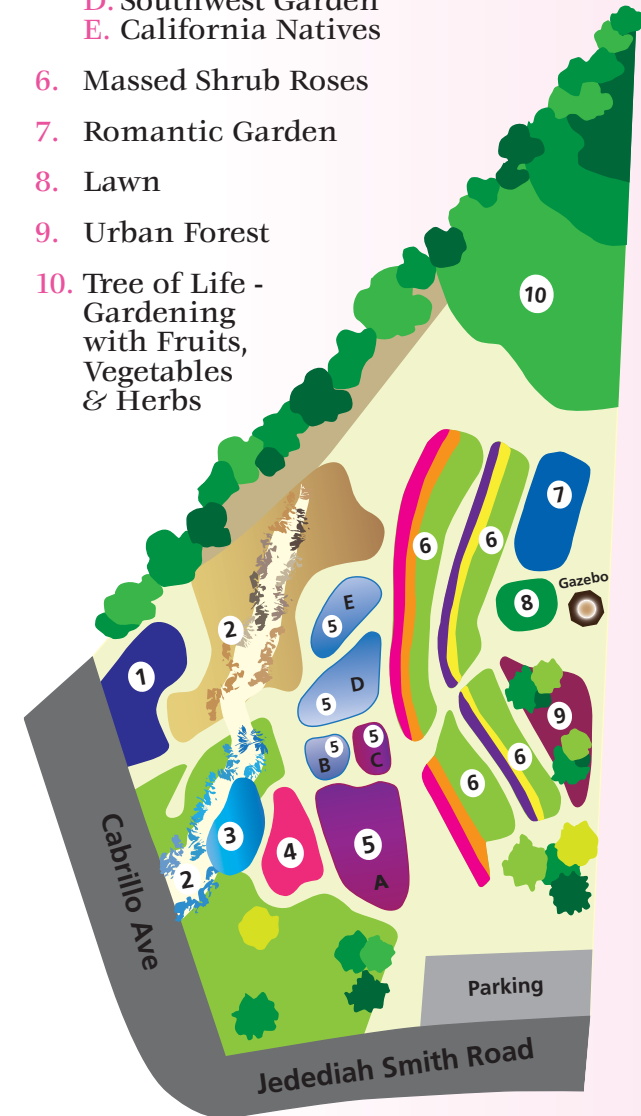

The garden features about 2,000 roses: hybrid teas, floribundas, climbers and mini-roses, plus drought-tolerant gardens and a reflecting pond. Workshops held at Rose Haven in January are open to the public and focus on pruning; spring activities include planting and fertilizing. Visitors are always welcome.

The garden is located at 30592 Jedediah Smith Road in Temecula. From Rancho California Road, take Ynez Road south to Jedediah Smith Road and turn left. From Temecula Parkway (Highway 79 South), take Jedediah Smith Road north two blocks.

About the Temecula Valley Rose Society

The **Temecula Valley Rose Society** is a non-profit organization founded in 1990 and affiliated with the American Rose Society. Our goal is to encourage the appreciation, study and cultivation of roses.

Membership is open to anyone interested in roses, gardening and open spaces. New members are always welcome.

Rose Society members participate in many community beautification and outreach projects, sharing Rose Haven Heritage Garden blooms with the Temecula Public Library, the Temecula Valley Chamber of Commerce, Hospice of the Valley and others. Society members have helped plant roses at several area schools, assisted with planting the gardens at Habitat for Humanity homes in Temecula, and planted rose gardens near the chapel at Sam Hicks Park and at Temecula City Hall. We encourage school gardens and have a Youth Gardening Program.
