HORIZONTAL GRINDER

The DZH5500 is the perfect combination of size, power and performance. Field tested from coast to coast with a broad cross-section of material and in a variety of conditions, the DZH5500 can take on just about any challenge.

Offering CAT C-27 Tier IV Final power, 3,800 square inches of screen area and a total weight of 107,000 pounds, the DZH5500TKT does the work of bigger machines, yet is still easily transportable.

Like the DZH7000TKT and DZH6000CTKT, the DZH5500TKT comes with complete pin or axle transport system that easily and safely secures to the grinder, making it ready to be transported and avoiding expensive permitting fees.
