

Faith Church Worship Team Mission and Vision

Mission Statement

The Faith Church Worship Team leads the church in passionately singing biblical truth to praise our holy God, encourage one another in love and faithfulness, and display Christ's glory to unbelievers, using engaging and excellent music and production.

The Faith Church Worship Team Vision

The Faith Church Worship Team is a family of followers of Jesus that worships God passionately, skillfully, and joyfully out of love for God and one another, and calls the church to follow their example.

Values

- Truth: We are committed to the Word of God being the foundation of our worship ministry. Our relationship with our risen Savior as declared in the Word of God is the reason for all our service in worship ministries.
- Passion: We let our physical expression and engagement with the congregation demonstrate the passion and joy we have for Christ. We will display genuine excitement to serve God according to our calling.
- Commitment: We are committed to the Lord, the local church, and one another. Serving in this ministry is appropriately a priority in our lives.
- Excellence: We seek to bring our very best to the worship ministry each week for God's glory and the encouragement of the church. We believe that excellent music and production is pleasing to God and people.
- Unity: We function as a family by growing in our love for one another, carrying one another's burdens, solving problems biblically, and encouraging one another. Our Christ-centered unity enhances teamwork in the practice of our craft and gives us a commitment to gather for fellowship, both on and off the stage.
- Development: We plan and work for the growth of the team over time. We strive to grow in our skills, deepen our devotion to the Lord, and train up the next generation of worship team servants, for God's glory.
