

Jesus in the Gospels *JJP 2025 Annual Scripture Challenge*

Janet and Jocelyn will be studying the 4 Gospels in 2025, particularly looking at Jesus and how he is portrayed in each of them. Join them in 2025 and share your Bible study insights by using **#readwithJJP** and **#joyfuljourneypodcast** on all social media. **Email us at joyfuljourneyquestions@outlook.com to let us know when you've completed the annual challenge, and we'll send you a little something as an encouragement!**

This year we will be reading and studying the Gospels using [Surprised By Jesus](#) by Dane Ortlund as well as commentaries written by Biblical experts we appreciate. We will be looking for the character of Christ, themes found in that gospel, symbolism, and the way Christ is portrayed throughout it. Each gospel is short enough that it can be read multiple times in each quarter. You can do a verse-by-verse inductive study using commentaries. You can read along using Pastor Ortlund's book. You can memorize portions. You can keep a running list of insights you learn about Jesus. And at the end of every quarter we'll be airing a special mini-episode where we recap some of the great things we learned and meditated on, particularly about Jesus in that gospel.

Mini-episode recap schedule:

Quarter One JESUS IN MATTHEW - read and study January through end of March

- Matthew recap mini-episode will air on 3.28.2025.

Quarter Two JESUS IN MARK - read and study April through end of June

- Mark recap mini-episode will air on 6.20.2025.

Quarter Three JESUS IN LUKE - read and study July through end of September

- Luke recap mini-episode will air on 9.26.2025

Quarter Four JESUS IN JOHN - read and study October through end of December

- John recap mini-episode will air on 12.29.2025

In a world that is absolutely chaotic we all need more of Jesus. We need to see him. We need to hear from him. We need to rejoice in his solutions and his comforts. Join us in 2025 for a deep dive into **Jesus in the Gospels**.
