

Faith Church

The mission of Faith Church is to glorify God by winning people to Jesus Christ and equipping them to be more faithful disciples.

Our Values

Growing Stronger - believing that God has a plan for every Christian's growth and that He wants godly lives and families built.

Reaching Out - believing that a changed life enables us to reach those without Christ in a way that is faithful and creative.

Serving Together - believing that God wants us to challenge and equip our members to serve Him, and that He wants every member serving.

Meeting Needs - believing that our church should address community concerns by doing good works and sharing biblical truths.

Strengthening Others - believing that God is pleased as we seek to strengthen other pastors, missionaries, and key lay leaders.

Women's Ministries

The mission of Faith Church's Women's Ministries is to equip the women of Faith to live godly lives, to encourage them to love one another and influence our community in ways that magnify God's goodness.

Our Values

Local Church Focus - Believing that God's plan is accomplished through the local church, our ministries not only flow from the church but also seek to help women become active participants in God's work through the local church.

Relationally Driven – believing that the following values are best accomplished in relationships with others. These relationships are for the purpose of incarnating Christ. Relationships are the method in which we do that, either as ambassadors or builders.

Growing Stronger - believing that God has a plan for every Christian woman's growth and that He wants godly lives and families built.

Reaching Out – believing that a changed life enables us to reach those without Christ in a way that is faithful and creative.

Serving Together - believing that God wants us to challenge and equip our women to serve Him, and that He wants every woman serving.

Meeting Needs - believing that our ministries should address community concerns by doing good works and sharing biblical truths.

Strengthening Others – Believing that God is pleased as we seek to strengthen other women, our passion is to instill in these women the soul satisfying way of life expounded in Titus 2:3-5. We desire for the women to learn the joy of investing in others as a result of the investment in them. These values can provide guidance to each of our ministries as we seek to keep them aligned with our church's values.

Mom2Mom

The mission of Mom2Mom is to glorify God by equipping moms to be faithful disciples in order to sow seeds of truth in their children's hearts and live lives consistent with their biblical design.

Our Values

Local Church Focus – Our structure will encourage believing women to participate in their own church's ministries regularly.

Relationally Driven – The weekly format and structure will encourage intentional relationships for the purpose of achieving the following:

Growing Stronger – Our curriculum will be prayerfully and intentionally focused on deepening the moms' understanding of the gospel and how to apply it to their everyday lives.

Reaching Out – Our heart is to show the beauty and power of the gospel to unbelievers around us and within Mom2Mom by our own transparent, growing lives and by our words.

Serving Together – Our structure will encourage and provide opportunities for all of the moms to learn the joy that comes from serving, as God designed.

Meeting Needs – Our relationships will be focused on doing good works and meeting the needs of each other and those outside of our ministry as we are able.

Strengthening Others – Our passion is to instill in these women the soul satisfying way of life expounded in Titus 2:3-5. We desire for the women to learn the joy of investing in others as a result of the investment in them.

As we consider all aspects of our ministry, these are the values that must be represented.
