

SIOUX CHIEF HAS JOINED WITH HI-TEC LABORATORIES TO OFFER THE WELL RESPECTED CHEMICAL DRAIN OPENER, FLOWEASY™

- “Often imitated, NEVER duplicated” – Floweasy™ is a proprietary formulation of 94% by weight virgin sulfuric acid and buffers/inhibitors.
- Floweasy’s professional strength unclogs drains fast – the clog is typically free-flowing within 15 minutes of treatment.
- Floweasy has little to no odor and is safer than competitors’ products:
 - Floweasy can be used in standing water and toilets to safely clear clogs.
 - Safety-focused packaging includes a child-proof cap on the quart bottles and a metal heat-welded seal on all bottles.
- Floweasy will not harm metal, PVC pipe or septic tanks, and is safe to use for all common drains, cleanouts, sinks and toilets.
- Floweasy is made in the USA.

Please read and carefully follow directions on the Floweasy bottle.
