## Residential Air Cleaner POPUP™ Replacement Media Filter

Honeywell PopUP filters store flat and pop into shape for installation.

- Save space on the truck
- Less damage during storage
- Save time on assembly
- So easy you can sell over-the-counter to homeowners without worry of mistakes
- Compact shape makes PopUP easy to ship
- No combs, pleat spacers or end caps

**Application:** Replacement Filter

**Efficiency Standard:** Efficiency ratings are based on American Society of Heating, Refrigerating and Air-Conditioning Engineers Standard 52.2-1999. Efficiency ranges are defined for small particles, E1=0.3 to 1.0 microns; medium particles, E2=1.0 to 3.0 microns; and large particles, E3=3.0 to 10.0 microns.

|   | Product Number | Minimum Efficiency Reporting Value<br>(Media Filters Only) | Air Cleaner Size-Dimensions, Approximate |                          | Used With                                                                                               |
|---|----------------|------------------------------------------------------------|------------------------------------------|--------------------------|---------------------------------------------------------------------------------------------------------|
|   |                |                                                            | (inch)                                   | (mm)                     |                                                                                                         |
|   | POPUP1620/U    | MERV 11                                                    | 16 in. x 20 in.                          | 406 mm x 508 mm          | Honeywell 16X20 F100 and F200 Media Air Cleaners                                                        |
