

Part Number suffix F=flag label, P=bagged

**PLUMBSHOP®**

## Water Connectors

### Key features/benefits:

Plumbshop braided stainless steel connectors are available for toilets, faucets, washing machines,

dishwashers and ice makers. The braided fibers are designed to bend freely without kinking or crimping. Available in a variety of configurations and lengths.

- Braided stainless steel with PVC inner tubing, stainless steel ferrule, chrome plated nut and rubber seal
- For use in potable water distribution systems in accessible locations only
- Ideal for installations in tight spaces
