Carbide Saw Blade Sharpening Order Form

Your saw blade(s) will be cleaned and sharpened to OEM quality or better, dipped in protective coating and shipped from our shop within 1 week of receiving.

Shipping: All items are returned using UPS Ground. We charge a flat $15 fee on inbound and outbound shipping. When sending in 5 blades or more, we will pay both the inbound and outbound shipping. If you plan on sending blades over 14" please contact us prior, additional shipping charges may be applicable.

Additional Charges: We will automatically re-tip your blade(s) up to 2 tips (per blade), free of charge. If your blade(s) need any additional work beyond this, we will contact you with a quote prior to doing the work. **Shipments containing 5 blades or more may encounter shipping charges if more than 40% of the shipment contains blades that cannot be repaired.**
