LET'S VISIT KOBE, JAPAN!

SLIDE 1: GOOD EVENING

Kobe Trade Information Office

Good evening . My name is Devin Tokizawa from the Kobe Trade Information Office, the U.S. Branch Office for the City of Kobe, Japan located in Seattle.

Page C-14

SLIDE 2: I'M HAPPY TO PRESENT

I'm happy to present the City of Kobe to you tonight, not only one of the most beautiful cities in Japan but also a city that is very close to my heart.

SLIDE 3: KOBE HAS A POPULATION OF

Kobe has a population of 1.5 million and has one of the largest ports in the world. Opened in 1868,

SLIDE 4: PORT OF KOBE WAS TRANSFORMED

the Port of Kobe was transformed from a tiny fishing village into one of Japan's leading international cities. And today more than 40,000 foreign residents call Kobe home.

SLIDE 5: WHERE IS KOBE?

Kobe, the 6th largest city in Japan, is located in the Kansai region, near the center of Japan, west of Tokyo. Kobe is easily accessible. From almost any large city in the US, you can fly direct to Kansai International Airport and be in downtown Kobe in one hour by train or limousine bus. Kobe is also only a one-hour flight from Tokyo or a leisurely 2 hour and 50 minute ride on the bullet train. And now you can use the Kobe Airport which opened just last year to reach Kobe on direct flights.

SLIDE 6: SEASONS

Kobe has four seasons and each season brings fun and unique activities!

SLIDE 7: IN SUMMER

In summer, a day near the water is a great way to spend your time in Kobe, from relaxing on the beach, sailing, or taking a harbor cruise. You can swim at Kobe's hisotrical "Suma beach" which is featured in classic Japanese tanak poetry and enjoy the cool sea breeze that will keep you content all summer long.

SLIDE 8: MT ROKKO

In winter, you can ski or snowboard on Mt. Rokko which is only a half an hour's drive from Kobe. Mt. Rokko is known for fall foliage viewing in addition to offering other activities such as walking and hiking trails.

SLIDE 9: ARIMA

At the foot of Mt. Rokko there's nothing better than a visit to Japan's oldest hot springs. Arima Onsen is one of three renown hot-spring resorts in Japan and is only an hour's drive from downtown Kobe. There are about 26 traditional Japanese Inns in Arima which offer guests a relaxing and healing experience. If you would like a more traditional Japanese atmosphere, I recommend staying at Arima Hot Springs Resort.

SLIDE 10: BEST NIGHT VIEW

REC-NO-2438
Kobe Trade Information Office

Kobe is one of Japan's top 3 night views and is one reason Kobe is known as the Romantic City in Japan. It offers a unique experience to dine at one of the many restaurants on Mt. Rokko with a gorgeous panoramic view of the city as your backdrop!

Page C-15

SLIDE 11: KOBE BEEF

Your trip wouldn't be complete if you didn't explore Kobe's wonderful food culture. Not only is Kobe known for their world famous Kobe beef where the cows are known to be fed beer and massaged by hand...

SLIDE 12: SWEETS

But Kobe is also famous for sweets and candies. You can enjoy traditional Japanese sweets such as manju and yakigashi or Western confections-- grab a piece of cake and enjoy one of Kobe's many museums.

SLIDE 13: SAKE

Famous for superior sake, Kobe is home to many sake breweries. So while in Kobe don't miss the chance to visit the Nada Sake District, Japan's number 1 sake producing district. You can find a number of sake museums such as the Hakutsuru Sake Brewery Museum. Established in 1743, this old brewery has life-size mannequins and English audio and visual aids that will teach you the traditional methods for sake brewing. You can participate in making sake and enjoy sake tastings.

SLIDE 14: A FRIENDLY CITY

Feel lost already? One way to truly enjoy your stay in Kobe is to take advantage of Kobe's volunteer interpreter guides. Get to know Kobe from a native by receiving a personal tour of the city. Learn about Kobe's history, the best place to eat Kobe beef and where to buy the best souvenirs!

SLIDE 15: THERE ARE MANY UNIQUE CHARMS OF KOBE

There are many unique charms of Kobe -- the beauty of its surrounding sea and mountains, international cuisine, specialty cakes and coffee, fashionable ambience, cultural assets, and many other delights. No matter where you are in Kobe, you will always feel the resort atmosphere and the richness of this 21st century city.

SLIDE 16: THANK YOU!

Now that you have more of an idea of where Kobe is and what Kobe has to offer, I hope that you will visit and recommend Kobe to your friends and include Kobe in your itineraries! **((CLICK FOR TEXT))**

I thank you and the City of Kobe thanks you for taking the time to attend tonight!

Invitation Program

On November 7th, JETRO, together with Japan's Ministry of Economy, Trade and Industry (METI) and the US Department of State, organized the Japan Business Strategy Forum, entitled "The Absolute Growth Protocol for Your Technology", in Silicon Valley, the cradle of the ICT industry.

Industrial Tours

Seminars, Symposiums

Panel discussions featured representatives from American ICT firms that successfully entered the Japan market as well as Japanese firms that partnered with American companies. Panelists shared their experience and offered tips for success. Some key points made by panelists included:

Governmental Support

Why Japan?

Success Stories

How to Set Up Business in Japan

1. Japanese firms, both large and small, have invested considerable amounts of time and money in R&D activities to develop competitive technologies. A combination of advanced Japanese technologies and original ideas from the US can help strengthen the industrial competitiveness of firms from both countries.
2. Japan's business environment is improving, and foreign firms are finding it easier to link into distribution channels, giving them wider access to Japanese consumers.
3. In general, it takes time to establish business relationships with Japanese firms. But once agreements are made, business moves at a rapid pace towards maximizing the relationship's potential.
