As of March 1, 1989, the operations of Government Research Corporation ("GRC") were absorbed by Hill & Knowlton, U.S.A. ("H&K"), pursuant to the transaction in which GRC'S parent corporation, Public Affairs Research Group ("PARG"), was acquired by H&K's parent corporation, WPP Plc (United Kingdom) ("WPP"). Consequently, all of GRC's foreign principal clients became and are now H&K clients and are listed as such accordingly on this report. Those foreign principal clients that were formerly represented by GRC are denoted in this report with an asterisk (*). Because a full merging of the accounting systems between the two companies has yet to fully occur, the disbursements and receipts for foreign principal clients that were formerly represented by GRC, are in some cases, shown in this report as approximations.
