The primary objective of the office is to inform US contacts, primarily US industry, about activities and views of German business. The US government occasionally is approached on issues concerning international trade or investment, e.g. non tariff barriers, avoidance of double taxation, import restrictions, policies on foreign investment, export promotion or controls and the like. While the individual issues change, the policy is to contribute to maintaining an open international trade and investment climate. This is done through personal conversation with or submission of written materials to members or committees of Congress, federal regulatory agencies, or executive branch officials.

Agreement

between

The Federation of German Industries (BDI)

and

The Representative of German Industry and Trade ("RGIT")

Preamble

Since August 1988 the Federation of German Industries [Bundesverband der Deutschen Industrie e.V.] (BDI) and the Association of German Chambers of Industry and Commerce [Deutscher Industrie- und Handelskammertag e.V.] (DIHK) have jointly maintained the RGIT in Washington [DC]. In past years the [German] Federal Ministry for Economic Affairs and Energy [Bundeswirtschaftsministerium] (BMWi) co-financed this office by approximately 49%, and BDI and DIHK half of the remaining amount respectively. The BMWi has decided to discontinue the financial support for the RGIT in its previous form effective as of fiscal year 2021.

Consequently, commencing with 2021, the RGIT in reduced form will be borne jointly by DIHK and BDI. Funding will be provided by the two associations at 50% each.

§ 1 Annual Financial Contribution

BDI's annual financial contribution shall amount to up to EUR 400,000.

§ 2 Disbursement and Reporting

Following the signing of this Agreement the contribution pursuant to § 1 shall be transferred to RGIT in 4 quarterly installments.

RGIT shall provide its local profit and loss statement to BDI quarterly by the 15th of the following month. A budget for the following year is to be prepared by September 30, on the basis of which the amount of the financial contribution will be determined for the following year.

The audited and certified local annual financial statement is to be submitted to BDI by March 31st of the following year.

§ 3 Notices

All legal and other notices (hereinafter collectively referred to as "Notices") in connection with this financial contribution must be in writing.
§ 4 Severability Clause

Should provisions of this Agreement be, or become, invalid or void, or if provisions of this Agreement are, or become unfeasible, the validity and feasibility of the remaining provisions shall not be affected. In the place of the invalid, void or unfeasible provision the Parties shall agree upon a provision that within the framework of what is legally possible comes closest to what the Parties had intended according to the sense and purpose of the omitted provision. The same shall apply if there are gaps in the contract.

§ 5 Duration and Notice Period

This Agreement is for an indefinite period. Terminating this Agreement is possible at the end of a calendar year and with written declaration one year in advance.

§ 6 Venue and Writing Requirement

(1) This Agreement shall be governed by German law. Berlin shall be the sole legal venue for all disputes arising out of or in connection with this Agreement,

(2) Modifications and additions as well as the cancellation of this Agreement, or of individual provisions of this Agreement, including the writing requirement clause, must be in writing unless a stricter form is required by law.
