A Satisfying Food Culture

A BLENDED HERITAGE AND ACCESS TO PRIME SEAFOOD
DEFINE BERMUDA'S CULINARY TRADITIONS.

The flavours of Bermuda blend culinary influences, ingredients and techniques from the British, Portuguese, Caribbean and West African. The result of this unique cultural mix is Bermudian cuisine. Fish is a staple – especially wahoo and rockfish, but also mahi mahi, yellowfin tuna and snapper. Experience a “catch and cook,” where you go fishing

with locals, clean and cook your catch, and then dive into a delicious, satisfying feast. On land, Bermuda's food is equally fresh: gardens, markets and farms supply produce and all-natural meat and poultry. Traditional dishes include the codfish breakfast (boiled cod, potatoes and onions served with sliced banana, hard-boiled egg and avocado).

fish chowder, fish sandwiches, spiny lobster and rum cake. Our renowned chefs are masters at putting inventive twists on the classics. Sample their work while enjoying our famous cocktails: the Dark 'n Stormy® and Rum Swizzle. Be sure to check out food events, including Restaurant Weeks in January/February and the City Food Festival twice annually.

Three Sides of Bermuda

We invite you to explore Bermuda and its surrounding waters. To get the lay of the land, start with the island's three main regions.

Out here, a small population (65,000 residents) makes for a strong neighbourhood identity. Each community brings with it a unique culture all its own, and a local character to match. Whether it's the history-rich East End, still stamped by its Colonial past, the sophisticated and global capital City of Hamilton at the centre, or the popular sightseeing hub and maritime vestige, the West End, Bermuda is easy to get to, but a world away.

Let the locals be your guide.

East End

The Historical Anchor

Site of the island's former capital and UNESCO World Heritage site, the Town of St. George, the East End is rich with British Colonial history and culture. You'll also discover many natural attractions, including Tom Moore's Jungle and the Crystal Caves of Bermuda.

Kristin White

Bookstore owner, community activist, tourism consultant, public speaker, writer

"I have a passion for St. George's, and I love to show others the wonderment in our winding cobbled alleys and historic tales," said Kristin White, who was recently named one of Bermuda's most fascinating people by the Trades Women of Bermuda. St. George's combines old and new, quaint streets with names like Old Maid's Lane, Colonial buildings dating back to the 17th century, and bustling modern cafés and boutiques bursting with local wares. White combines her love of Bermudian history with her love of food on her East End Eats Bicycle Tour, taking visitors to local edible gardens and to restaurants and bars where the community hangs out, and working in nuggets of culture as she goes. Said White, "Everything here has a connection to the past."

West End

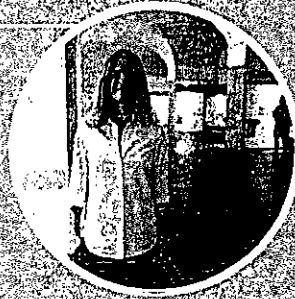

The Maritime Mainstay

A hub for sightseeing, shopping and entertainment, the historic Royal Naval Dockyard is one of Bermuda's most popular destinations. Also in the West End, you'll find many of the renowned South Shore beaches, including Horseshoe Bay and Warwick Long Bay.

Elena Strong

Executive Director of National Museum of Bermuda

Elena Strong likes to say there are 45,000 ways to be Bermudian. "We have a strong immigrant history, which has given us a very diverse culture," said Strong, who has English parents and a Portuguese Bermudian/Swiss German stepfather. Strong is the new director of the National Museum of Bermuda, which chronicles 500 years of Bermuda's history. Set in The Keep fortress at the Royal Naval Dockyard, the largest and best preserved of all Bermuda's fortifications, the museum is home to cannons, shipwreck artefacts, artwork and a dramatic mural by local artist Graham Foster. The grand Commissioner's House was the first cast-iron residence in the world. "I love walking through the Dockyard, looking at these impressive buildings," Strong said. "And although the West End of Bermuda was once home to smugglers, mariners and pilots, it now draws divers and snorkellers for its many shipwrecks spanning four centuries. A diver herself, Strong enjoys exploring the surrounding coral reef and the occasional shipwreck." Said Strong, "The West End is the perfect place for a history and culture buff."

The Island's Soul

Central Bermuda is home to the cosmopolitan capital City of Hamilton, a harbour town known for its blend of global sophistication and local flavour. Enjoy dining, shopping, nightlife and the island's most cosmopolitan culture, and find great beaches, gardens and golf nearby.

Tom Butterfield

*Founder and Creative Director
Masterworks Museum of Bermuda Art*

"There's a cultural renaissance in Bermuda that I find exciting," said Tom Butterfield, who opened Masterworks in 1987. Set on the grounds of the eye-popping Botanical Gardens, the museum showcases Bermuda-inspired art from 19th-century masters such as Winslow Homer, Georgia O'Keeffe and E. Ambrose Webster. The ethereal light, stunning landscapes and warm, welcoming locals have inspired artists, authors and musicians for centuries. Art begets art, and Masterworks has become a hotbed of artistic energy dedicated to the best of Bermuda's thriving art community. "It's a subtropical paradise free of clutter and billboards," Butterfield said. "It's the perfect place to find both solace and inspiration."

Getting Around

Whether by bus, bike, ferry or taxi, Bermuda is safe and easy to explore. Public transport is a great way to get a taste of Bermuda's warm, welcoming cultures. Rent a bike or Twizy and zip around to hidden gems.

Four scenic ferry routes connect major island hubs.

The blue and green routes head west; the pink stops in central Paget and Warwick; the orange operates in summer, connecting Dockyard to the Town of St. George. All depart from the Ferry Terminal on Front Street in the City of Hamilton. Cash is not accepted, so have your Transportation Pass, ticket or token ready.

Taxis provide reliable transportation and sightseeing by-the-hour.

Many taxi drivers are also excellent tour guides, eager to share the stories behind Bermuda's landmarks for \$50-\$70 USD per hour. Find them outside larger hotels, near the airport or on busy streets.

Pink buses are plentiful and frequent.

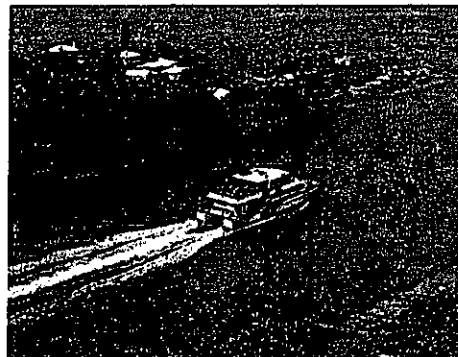

Colour-coded stops make it easy - pink to town (Hamilton); blue to head out (east or west). Tickets, tokens or Transportation Passes are available at bus or ferry terminals. Or board with exact change.

Rental cars are now available in the form of a Twizy.

These electric two-seaters, available from Current Vehicles at The Hamilton Princess & Beach Club and the Fairmont-Southampton, can travel up to 50 miles on a single charge.

Explore like a local on a scooter or bicycle.

We drive on the left and we drive slowly - the official speed limit is 21 miles an hour. Bikes can be rented from Elbow Beach Cycles, Eye's Cycle Livery, Oleander Cycles and Smatt's Cycle Livery.

Beach *Bliss*

With warm waters prevailing through the season, Bermuda's beaches are in style all year long. From sweeping crescents of pink-flecked sand to rocky coves, there are literally dozens to discover. Here are a few of the highlights.

**Leave ordinary behind at Tobacco Bay Beach

Clear, shallow water, beach rentals and a snack bar make this beach an ideal choice. An excellent spot for snorkelling, the unusual limestone formations are a haven for marine life, attracting blue angelfish and sergeant majors.

**Tick Horseshoe Bay off your bucket list

The long, wide ribbon of pink sand explains why this is one of the world's most photographed beaches. The nearby beach house offers rentals, snacks, bathrooms, showers and changing facilities.

**Explore Clearwater Beach & Cooper's Island
Nature Reserve (St. David's Island)**

Eight pristine beaches unlock a treasure trove of eco discoveries. Trek secluded nature trails teeming with wildlife, flora and fauna or relax at Gombey's Bar and Restaurant.

Bermuda Cocktails: *What to Sip & Where*

With a history stretching back to the early 19th century, Gosling's Black Seal Rum is the key ingredient in Bermuda's signature cocktails, the Dark 'n Stormy® and the Rum Swizzle. Bermuda's libations extend far beyond a frozen daiquiri. With craft beers, wild herb-infused cocktails and fine wine imports, there are plenty of ways to wet your whistle.

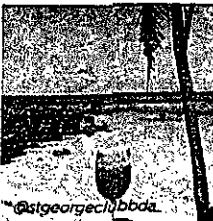

Dark 'n Stormy® at Harry's

There's a reason why it's a registered trademark. This staple exclusively uses dark, syrupy Gosling's Black Seal Rum - no substitutions - and is mixed with Bermuda's soft drink of choice since 1874, Barritt's Ginger Beer.

Rum Swizzles at the Swizzle Inn

First opened in 1932 in a 17th-century roadhouse, this Institution lays claim to inventing the fruity cocktail and is a traditional place for visitors to enjoy a first or final drink on the island.

Creative Cocktails at Yours Truly

Venture off the beaten path to the speakeasy-style Yours Truly on Chancery Lane. There's no signage, no shingle and no indication that the place exists, save for a red door. Inside, irresistible cocktails await.

Craft Brews at the Frog and Onion

Dockyard Brewing Co., has quickly earned the love of locals and visitors. Enjoy a pint of Dockyard's flagship ale, a crisp and refreshing Pilsner-style beer named for Bermuda's founder, Sir George Somers. Then take a tour of the brewery on-site.

A World (or Warehouse) of Wine

While there are no vineyards within its 21 square miles, Bermuda is a community of wine enthusiasts. Importer Two Rock Wine Company hosts regular and passionate wine tastings. Their own Raft Up Rosé is a crisp and refreshing blend produced with winemakers in Provence.

Dishing on the *Destination*

Out here, one of the things that sets this island country apart (besides the fact that it's 650 miles from Cape Hatteras, North Carolina) is the warmth, pride and diversity of Bermudians. Its 65,000 residents are a welcoming, eclectic swirl of cultures — many of English, African, Caribbean, Portuguese and Native American descent. Their influences are reflected in everything from customs (proper politeness like saying good morning to *everyone*) to food, which includes a mash-up of Creole spices and proper English dishes to Portuguese donuts.

From fishcakes to rum cake, you'll taste the various ethnic influences in these typical Bermudian dishes.

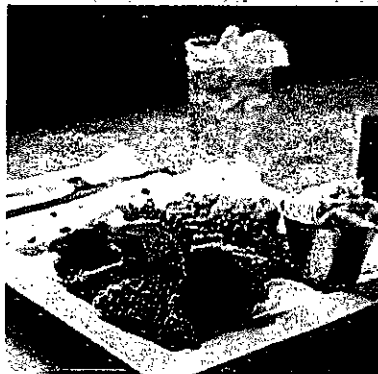

On Sunday mornings, locals tuck into a hearty codfish breakfast — a heaping plate of steamed salt cod with boiled potatoes, onions, sliced bananas, a hard-boiled egg and avocado slices. It's topped with a tomato or butter onion sauce. Bouchée, Paraquet and Speciality Inn are good bets.

If there's a quintessential Bermuda dish, it's fish chowder, an aromatic blend of seafood and spice that often includes potatoes, tomatoes, onions, carrots, green peppers and celery. Every recipe is slightly different, but the one thing they all share is the island's own Outerbridge's Original Sherry Peppers and a splash of black seal rum.

A perennial menu staple in Bermuda, the fish sandwich is honoured island-wide: deep-fried fillets of fish with tartar sauce on raisin bread or whole-wheat toast. Go for "the works" and add lettuce, tomato, grilled Bermuda onions, cheese, hot sauce and coleslaw. Some top local spots include Art Mel's Spicy Dicy, Woody's or SeaSide Grill.

The reefs are teeming with hogfish, snapper and spiny lobster, when in season. From September to March you'll find these crustaceans in nearly every restaurant, including Lobster Pot, North Rock Brewing Company and Blü. Smaller than its Maine counterpart and without claws, most of the tender, flavourful meal is found in the tail.

On land, Bermuda's food is equally fresh. From November to June, browse the farmers' market at the Bermuda Botanical Gardens for local produce, home-baked goods, Bermuda-made gifts and all-natural meat and poultry. Local preserves, seasoned popcorn, seasonal soups and fresh juices are all on the table on Saturdays from 8 am to 12 pm.

Moist, buttery Bermuda black rum cake is a perfect finale to any meal.
