Re: The United States and Europe - Jobs, Trade and Investment

Dear Will:

As a follow-up to our discussions of the subject project, which is relative to the economic impact of European investment on each American state, please be advised this is to confirm Daimler-Benz support.

Daimler-Benz is enthusiastic about the project as an educational and lobbying tool. We agree that an update and revision on a "state by state" basis should receive broad distribution among government officials, the U.S. Congress, the administration, state governors and business groups on both sides of the Atlantic.

This office, in conjunction with Dr. Hanns Glatz, KR Brussels and Dr. Peter Puf, Daimler-Benz AG, is pleased to attach a check for \$7,500 so the new edition can be published in February.
