4 Days. 30 Cities. 553 Kilometers.

The outcome? 665 bags full of goods donated to those less fortunate across Israel. Thank you to our amazing employees who opened their hearts to help others. And thank you to the Treasure **Truck by Brandship and Lizi Solomon. We couldn't have done it withou**t you!

Across the globe, workers are facing unique challenges as they navigate working from home during the #COVID-19 pandemic. Our Chief People Officer, Chen Ferder, shares her insights on how to overcome these challenges by tailoring solutions to the needs of each individual employee. We are excited to share that NSO Group President, Siri Dolev, recently served as a judge in the SHEvyon hackathon.

In Israel, only 16% of senior management positions are staffed by women, and since the COVID-**19 pandemic began, we've seen the gender pay**-gap deepen. Participating teams in the three-day SHEvyon competition developed new solutions to accelerate change when it comes to gender equality.

Today, we mark International Day for the Elimination of Violence Against Women. As a company with a predominantly female management team, we are fiercely passionate about ending violence against women and girls – one of the most widespread and devastating human **rights violations in the world today. We've made it our priority to relentlessly support women's** rights organizations.
