The Club enforces a cancellation policy, which is if you cancel your event within (3) business

days you are charged in full. A final guarantee is also due (3) business days prior to the event date, If a final guarantee is not received, the estimate number of guests will become the final guarantee.

Dear Jodie,

Could you please send through the invoice while i explore the credit card option, which i doubt if it would materialize as they normally do wire transfers as per government requirements to satisfy supply chain requirements. But i still need the invoice to submit for any form of payment.

Good morning Jodie our main sponsor Brand South Africa needs a separate invoice for 5,000US dollars . Please prepare an invoice naming Brand South Africa with the amount of 5,000 US dollars and the wire transfer instructions they can use to send the money to the Minneapolis Club. As Honorary Consul for South Africa in Minnesota I am familiar with their accounting requirement that they must direct pay the vendor. ILI will provide a cashiers check for the balance. Please contact me if you have any questions. Thank you for your assistance.

Dear Judge Lajune Lange,

I am writing to check if the invoice for our partnership has been issued yet? I would need to have it processed by Head Office urgently in order

to make the event. Let them also include the banking details with routing numbers for wire transfers on the body of the invoice itself.
