The Nord Stream 2 gas pipeline should be a reason for reflection on Poland's relations with the US, said the president in New York on Tuesday.

"If we are talking about the need for some kind of reflection on relations with the United States, then I believe that Nord Stream 2 should be grounds for this. It directly concerns American consent for the completion of this investment," Andrzej Duda said at a press conference while attending the 76th session of the UN General Assembly.

Nord Stream 2 (NS2) is the controversial Russia-Germany gas pipeline which bypasses Ukraine and endangers, according to its critics, energy security in Eastern Europe. When ready, it will forward 55 billion cubic
