## Bosnia receives first doses of Covid vaccines through COVAX system – N1

📅 March 25, 2021

After several delays, BiH on Thursday received the first batch of covid-19 vaccines purchased through the COVAX system.

The delivery contains 23,400 Pfizer/BioNTech doses, while the second shipment is expected later during the day.

Bosnia purchased the total of 1,232,000 vaccine doses through COVAX and depending on availability, the mechanism will be sending the doses and producers it has at disposal.
