BiH facilitates entry regulations for foreigners during pandemic – N1

📅 June 11, 2021

BiH's Council of Ministers on Friday unanimously adopted new entry regulations for foreigners, which facilitate procedures at the borders during the COVID-19 pandemic.

According to new regulations that were adopted on Friday, foreigners can now enter Bosnia and Herzegovina if they present a negative PCR test or rapid antigen test for COVID-19 at the border crossing not older than 48 hours if they come from the European countries or not older than 72 hours for the arrivals from the countries outside Europe.

Also, the foreigners are allowed to enter if they present the evidence of full vaccination (two doses) that was completed at least 14 days prior to their arrival, or the evidence of receiving one dose at least 14 days prior to the arrival, if it is a single-dose vaccine against coronavirus.
