TJ,

It was good speaking with you. I wanted to just follow-up regarding "Catmosphere," which was founded in July with the mission of saving the lives of Big Cats and their critical ecosystems. Through public awareness campaigns and other efforts such as the 'Catwalk' on November 6th, Catmosphere will engage in global outreach to amplify the work of Panthera, the only organization in the world that is devoted exclusively to the conservation of the 40 species of wild cats.

If the city of Sioux Falls would like to take part in the 'Catwalk' you can visit the Catmosphere's website at <https://catmosphere.org/>.

Please reach out with any questions.

Best regards,

Dan
