Good afternoon –

Last week, the Kingdom of Saudi Arabia was selected as the host country for World Expo 2030, which will take place in Riyadh from October 2030 until March 2031. The World Expo is one of the world's oldest and most prestigious exhibitions, held every five years and lasting over six months.

This announcement signifies the Kingdom's position as a global hub, and will showcase its advancements in knowledge, science, technology, creativity, innovation.

For more information, I've attached a full release on this announcement.

Please let me know if you would like to interview Fahad Nazer, Official Spokesperson, Royal Embassy of Saudi Arabia, on this update.

Thank you,
Mitch
