David Reaboi, Late Republic Nonsense @davereaboi

They are going to try to topple the elected governments in Hungary, Poland and Brazil.

'It's not going to be finished just because Donald Trump was defeated, because you see examples of this in the Philippines, in Hungary and a variety of countries (...) so that contest is going to continue.'
says former US President @BarackObama

I think you missed the point.
Oh, wait, no ... hold on. . .
I know for a FACT that you missed the point.

US actually turning into the German Reich

Chris Lazarski @acton53 · Jan 12, 2021
Since they succeeded to catch presidency through electoral fraud in the USA, I am sure they will try to do it elsewhere, Poland included.
