David – It was good talking to you this morning and thanks again for your interest in “Catmosphere.” As I mentioned “Catmosphere” was recently founded with the mission of saving the lives of Big Cats and their critical ecosystems. Through public awareness campaigns and other efforts such as the ‘Catwalk’ on November 6th, Catmosphere will engage in global outreach to amplify the work of Panthera, the only organization in the world that is devoted exclusively to the conservation of the 40 species of wild cats.

You can learn more about Catmosphere’s at this website: <https://catmosphere.org/>. There is information on it about the Catwalk coming up, but I understand we might not have enough time for that this year. Shalom certainly would be a great venue for such a walk!

Let me know what you think and what questions you have.

Thanks again.

Mark
