Subject Saudi Spokesperson on UPFRONT

Good afternoon. In case you missed it, the spokesperson for the Saudi Embassy, Fahad Nazer, was on UPFRONT this past Sunday. Nazer was on the show to preview the upcoming visit to Saudi Arabia by President Biden. Nazer provided context on the 80-year economic and national security partnership between the United States and Saudi Arabia. The interview also touched on some of the ties between Wisconsin and the Kingdom – including the ships being built for the Saudi Navy in Marinette.

You can watch the interview here: https://www.youtube.com/watch?v=5nypMp_5de0

Let me know if you have any questions.
