Statement by Lanny J Davis, attorney for Dmytro Firtash, June 21, 2021

“According to media reports the National Security and Defense Council in Ukraine announced that it has imposed sanctions on Dmytro Firtash for purportedly selling titanium to Russia's defense industry. The announcement was made on June 18 just a few days before President Volodymyr Zelenskiy's first official visit to Washington next month.

Mr. Firtash has not been given advance notice nor has he had the opportunity to challenge the allegations before the Security Council. Since he has not been served with the decision of the Security Council we will refrain from commenting except to state that Mr. Firtash categorically denies the allegations, which he says are wrong.”

*DISSEMINATED BY DAVIS, GOLDBERG & GALPER PLLC, A REGISTERED FOREIGN AGENT, ON BEHALF OF DMITRY FIRTASH. MORE INFORMATION IS ON FILE WITH THE DEPT OF JUSTICE, WASHINGTON DC.*
