Response to Item 5

Item 5: Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identity of the item in the registration statement to which it pertains.

This amendment is to make corrections to Item 4(a), Item 5(a), (c), and (d) of the Supplemental Statement filed on March 2, 2022.

With respect to Item 4(a), the answer should be yes, in that Mr. Duncan McFetridge -- for whom a short form registration had already been filed-- was made an officer of the company, with the title Executive Vice President, effective 1/31/22. (He replaced Mr. George Tucker in that office.) It was not possible to indicate this on the original filing, as the eFile system would have required the filing of a new short form for Mr. McFetridge, which would have been confusing and incorrect.

With respect to Item 5(a), the answer here also should have been yes, as Mr. McFetridge has rendered services in furtherance of the foreign principal's interests. Again, it was not possible to indicate this on the eFile system in completing the Supplemental Statement without filing an additional short form.

With respect to Item 5(c), the answer here also should have been yes, as Mr. George Tucker--who had been a short form registrant-- terminated his connection with the registrant on 1/31/22. The eFile system would not take this answer, most likely because Mr. Tucker's termination had been previously filed.

Finally, with respect to Item 5(d), the answer also should have been yes, as Mr. Tucker's connection with the foreign principal terminated on 1/28/22. Again, it was impossible to provide this answer through the available eFile fields.
