SCHEDULE "A" - Item 6

The Japan National Tourist Association was organized on April 8, 1959 by virtue of a special law as a national organization to be devoted to the protection and development of Japan's tourist industry under the supervision of the Ministry of Transportation and is operated with government capital and subsidies and local donations from various organizations of carriers, travel agents, hotels, public entities and so forth.

With the inauguration of the new organization, the old Japan Tourist Association, founded on June 1, 1955, and having been devoted to international tourism, and the Japan Federation of Tourist Associations, concerned with domestic travel, were merged into the new Japan National Tourist Association.

On April 1, 1964, the Japan National Tourist Association's activities were divided into sections dealing with international tourism and domestic tourist trade. The registrant, the Japan National Tourist Organization, deals only with international tourism.

The Organization, a non-profit, government, capitalized and subsidized organization, carries out (1) international tourist publicity activities, (2) improvement and expansion of accommodation and other facilities in Japan for tourists from abroad, (3) participation in overseas fairs and expositions, (4) making investigations and research works on matters relating to tourist business, (5) issuing publications on travel and (6) other business that will help in attaining the objects of this organization.

The Japanese Government's capitalization and subsidies are appropriated through legislation approved by the Japanese Diet.
