Hmm, it's kinda working?

2 months later

Why do I have to deal with this stupid disease?? WHY???

WTF?!?!

What's this? Cure your acne, naturally...The Focus:Acne Formula

And so Lee, with nothing to lose, read and read. He watched the videos and listened to the audios on focusacne.com. What he didn't realize at the time was that he was on the verge of figuring out the cure, and his life was about to change...

YEAH!

And so Lee continued on eating the right foods, avoiding the bad ones. His skin and health continued to improve for months to come. Sometimes he would come back to the Focus:Acne message boards and lend his support. Most of all, he went on with his life, never having to worry about acne again.

"Thanks FocusAcne for giving me my life back!"
